THE PREFERRED MARKETING PLATFORM FOR CAMBODIA’S GLASS INDUSTRY

CAMGLASS 2022 – Cambodia’s No.1 International Glass & Glass Technology Exhibition is taking place from 16-18 November 2022 at the Diamond Island Exhibition and Convention Centre in Koh Pich. Cambodia’s construction industry has made great strides in recent years owing to the rise of residential, commercial and industrial developments. This helps to invigorate sub-sectors such as the glass industry where glass products, applications and manufacturing technology are needed.

CAMGLASS 2022 is the preferred marketing platform to unveil your products and engage with thousands of decision makers in Cambodia’s glass industry including architects, engineers, contractors, quantity surveyors, importers, distributors, dealers and regulatory bodies. Showcase your product portfolio by booking a booth today! Contact Ms Somaly at somaly@ambatarsus.com to get started.

WHY THIS IS THE EXPO FOR YOU:

- **Network** with over 8,000 industry professionals in Cambodia’s building and construction industry
- **Ideal** platform to source for new distributors, agents, and strategic partners in Cambodia
- **Boost** your company branding & market positioning
- **Gain** in-depth knowledge on the exciting new innovations and advancements of new products, and technologies in the industry.
- **Opportunity** to introduce the latest innovations through New Product Launches, Promotional Campaigns, etc.
- **Business** networking platform for developing new business and partnerships.
- **Linking** sellers and buyers in the Kingdom’s best venue

GREATER VALUE UNDER ONE ROOF

Covering other key sectors of Cambodia’s infrastructural development, CAMBUILD, CAMWATER, CAMENERGY and CIVAR are held at the same time and venue as CAMGLASS 2022 – bringing a one-stop solution in meeting the needs of the industry.

This three-day event is sure to attract even more buyers and decision makers, thereby delivering even more value to your participation.
WHAT'S NEW IN THE INDUSTRY?

• From January-June 2019, Cambodia’s construction sector recorded investments totalling US$3.39 billion, up 57.5% from US$2.15 billion in the same period in 2018.

• In September 2019, Cambodia’s aviation authority has approved the master plan for a new terminal at Sihanoukville airport, projecting passenger capacity of 10 million.

• New airport construction in Mondulkiri has commenced since 2019, promising tourism prospects in the province.

• A China-based investment in Sihanoukville receives approval for construction for two five-star hotels worth US$379 million.

SPONSORSHIP OPPORTUNITIES

If you would like to increase your profile at this prestigious exhibition, why not benefit from the numerous sponsorship opportunities available?
